E-mail scams targeting Rotarians

Rotary International News -- 22 July 2010

Rotary International continues to receive notice of e-mail phishing
scams targeting Rotarians.

One such scam claims that the recipient has been selected in a raffle
for a prize and the recipient's contact information is needed.
Another scam still circulating claims that a deceased Rotarian has left
money to the e-mail recipient to be donated to philanthropic efforts.
The sender, who claims to be the executor of the will, then asks for
the recipient's personal information, including a copy of the
individual's passport and driver's license, in order to claim the
inheritance.

Here is an example of one scam that is circulating:
